Welcome!

Thank you for choosing us to be part of your healthcare team. We look forward to working with you to make sure you receive the care you need and keep you healthy and happy. We hope that the information provided on this guide will answer many of the questions you may have about our practice.

Appointments

If you have an emergency illness or symptom that requires immediate, urgent attention, call 911. If you need an appointment for illness, symptom, check-up, follow-up visit or annual visit call the office.

Please arrive 15 minutes prior to your appointment time. Patients who are more than 10 minutes late may be required to reschedule their appointments. Patients with 3 no-show appointments may result in dismissal from practice. Patients under the age of 18 must be accompanied by a parent or legal guardian at all appointments unless authorization for another adult to bring minor patient has been completed.

Appointment Check List

- Your insurance card.
- Current prescription bottles and non-prescription medications, vitamins and supplements bottles.
- A good description of the problem, how long you have had it and how it affects you.
- A list of questions you would like to discuss with your provider.
- A list of other health care providers you have visited.

Payment Options

We participate in most insurance plans, including Medicare. Be sure to check with your insurance to see if we are an in network provider. Please note that it is your responsibility to ensure that we are a covered provider.

Please be prepared to pay your co-pay and/or patient balance at the time of service. We accept cash, checks, Visa, MasterCard and Discover credit cards.

We are happy to answer questions, discuss payments or your bill anytime by calling (419) 330-1550.

Prescriptions

For refills of prescriptions, please contact your pharmacy. Please allow 48 hours for us to refill your prescriptions. We will contact you only if there is a problem or we have a question about your prescription refill request.

Please remember that refills can only be given to patients who have been seen within the past six months. If you have not been seen for more than six months, you will need to schedule an appointment.

If you have questions about a new prescription or about discontinuing medication(s), please call and speak with your provider's nurse.

After-Hours Care

If you would like to speak to the clinician on call to help you decide how to treat an illness after hours or to help you decide whether to go to the emergency room, call the On Call Service. If you receive care at an emergency room or urgent care center, please let us know by calling the office within 48 hours so we can assist with follow-up care as needed.

Financial Policy

Thank you for choosing an office of the Fulton County Health Center as your health care provider. We are committed to your treatment. Please understand that payment of your bill is considered a part of your treatment. All patients must complete the required forms and are required to read and sign this Financial Policy prior to any treatment.

Insurance Companies: We have contracts with most commonly used insurance companies. Please check to see if we accept your insurance. If we do not accept your insurance policy, as a courtesy, we will bill your insurance company. Your insurance policy is a contract between you and your insurance company. We are not a party of that contract. If we bill your insurance company and they have not paid your account in full within 45 days, the balance may be billed directly to you. Any subsequent visits must be paid in full at the time the services are rendered. Please be aware that some insurance companies, including Medicare, may determine treatment to be non-covered or find it not to be reasonable or necessary. If such a determination is made, you will be responsible for such services. Such services will be billed and payment is due upon receipt of bill.

Regarding insurance plans where we are a participating provider: All co-pays and deductibles are due at the time of treatment. If there are any additional procedures performed, they may be subject to an additional **Co-Payment, Deductible or Co-Insurance.** Please refer to your HealthCare Plan for additional information. In the event that your insurance coverage changes to a plan where we are not a participating provider, refer to the above paragraph.

Usual and customary rates: Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of what constitutes a usual and customary rate.

Injury/Accidents: If you are being seen for an injury, please advise the office at the time of scheduling your appointment. Your insurance may require additional information.

Minor patients: The adults accompanying a minor and the parents (or guardians of the minor) are responsible for payment. Unaccompanied minors presenting for non-emergency treatment will be denied if there is no authorization or consent to treat.

Co-pays and Balances: Co-pays are due at the time of service. You will also be asked to pay any outstanding patient balance at the time of an appointment.

Disability Form Fees: You may be charged a fee for completion of forms. Please complete the Patient portion of the form before submitting it to the office staff.

Remitting Payment: Please remit payment to Fulton County Health Center at 735 S Shoop Ave, Wauseon, OH 43567. For your convenience we accept cash, check, Visa, MasterCard and Discover.

Insufficient Fund Fee: Checks that are returned will be charged a $30.00 insufficient funds fee.

Please let us know if you have any questions or concerns.

I have read the *Financial Policy* and I understand and agree to its provisions.
